What about Your Faith?

by Doug Kashorek

"By faith Noah, being warned by God about things not yet seen, in reverence prepared an ark for the salvation of his household, by which he condemned the world, and became an heir of the righteousness which is according to faith." (Hebrews 11:7)

At this time no one had ever seen rain. So what made Noah so different as to stand alone building a huge boat for 120 years? In one word: Faith.

How about you? Is your faith great enough to stand out in the midst of the crooked and perverse generation we live in? Will you choose to live for God in the face of destruction by fire that hasn't come yet and no one has ever seen?

The elements will melt in the heat. Judgment is coming and we cry out by our stand on the gospel. Believe, repent, be baptized and live faithfully to the end, before it's too late.

1 Peter 3:20-21 teaches us today, how to implement one aspect of Noah's faith, "During the construction of the ark...eight persons were brought safely through the water. Corresponding to that, baptism now saves you – not the removal of dirt from the flesh, but an appeal to God for a good conscience – through the resurrection of Jesus Christ."

The saving faith of Noah not only went against the grain of his culture but he built an ark and went through the water. The saving faith of Christians today safely go through the waters of baptism, as an appeal to God for a good conscience and are resurrected with Christ to walk in newness of life. Is this what your faith leads you?

Power in Prayer Project

Lord, continue to shape my heart in a way that will intentionally carve out time to spend with You. May I continually keep in step with You as I walk in the same direction as You. Help me to set my mind on the things above and not on the things here on earth. Teach me to set my mind on the Spirit and please You in all things as I walk with You the rest of my days.
