Do You Have Moses on Your Hands?

by Jay Lockhart

"By faith Moses, when he was born, was hidden three months by his parents, because they saw he was a beautiful child and they were not afraid of the king's command" (Hebrews 11:23).

The story of Moses begins with his parent's faith. The king of Egypt had declared that all Hebrew male babies be thrown into the Nile River. But the faith of Moses' parents led them to reject the king's commandment.

As a result, Moses was rescued from the river by Pharaoh's daughter and nurtured for the first few years of his life by his birth mother. During those years his parents must have taught him about his heritage, the God of Israel, and the promised future.

Moses was raised in Pharaoh's house as his daughter's son. After 40 years in Egypt he refused the wealth and power of Egypt; then God called him to become Law-giver, deliverer, leader, prophet, priest and protector to millions of people.

What Moses became was initially because of his parent's faith. Your child is a gift from God. You are entrusted with a treasure. How will your child be influenced because of your faith?

You may be raising another Moses, will you faithfully fulfill your God given responsibilities in training your child in the ways of God? Bible classes will help. Regular attendance in worship will help. Christian associations will help. Do all you can to capture the Moses in your child while the opportunity is there. Think about it.

Power in Prayer Project

Lord, help me to truly consider the reproach of Christ to be greater riches than the riches of what America has to offer. I commit to seeking You and loving You above the world and the things in the world. I seek Your grace, mercy and empowerment as I strive to deepen our relationship by my choices that reflect true faith and love for You.
